

LANDLORD VERIFICATION

Landlord: Please read the following and complete the next page.

As part of the NH Fuel Assistance Program (FAP) application process, your tenant is required to submit a completed Landlord Verification Form. This form is necessary for renters who have heat included in their rent.

New Hampshire Fuel Assistance Program

There are important changes to the NH Fuel Assistance Program (FAP):

For any household whose heat is included in the rent, FAP eligible households will no longer be receiving a rental voucher. Since FAP is a heating assistance program and heat is included in the rent, eligible households will now receive a monthly heating voucher to be applied towards the heating portion of their rent. Vouchers may not be issued for months prior to December 1, 2023 or later than April 30, 2024.

- Heating vouchers will be issued in amounts of no more than \$484 each month.
- If the total awarded benefit is more than \$484, the household will receive multiple monthly vouchers totaling up to their benefit amount.
- Both the tenant and landlord must sign the voucher(s). This signed voucher must be returned to Tri-County Community Action Program, in order to receive payment.
- All signed heating vouchers may be submitted at the same time; however they will only be paid in the month for which they are issued.
- Please notify Tri-County Community Action Program if your tenant moves out. Heating vouchers can only be paid for the month in which a tenant actually lives in the unit.

Please note that City Welfare or Town Rental Assistance is not a subsidized program.
